ANNOUNCEMENT

STREET TEENS ESTABLISHES HONORARY BOARD

On behalf of the Board of Directors, it is with my deepest gratitude that I welcome William E. Martin, Fabian Nunez and Bret Whipple to our newly established Honorary Board.

Dedicated to assisting homeless, abandoned and at-risk youth, ages 12-21 in Las Vegas, Street Teens' goals are two-fold. To meet the survival needs of our youth by providing basic necessities in a safe, compassionate environment. And, secondly, to provide access to educational, health care and employment resources as these youth go through the transition to self sufficiency.

The business skills and leadership positions held in the community by Mr. Martin, Mr. Nunez and Mr. Whipple will be most valuable in providing Street Teens and homeless and at-risk youth a voice. We are extremely pleased and humbled by their commitment to our organization.
